Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

31 April 9, 2013

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ADOPT, ADVERTISE, AND AWARD
SIDEWALK CONSTRUCTION AND PARKWAY IMPROVEMENTS
SANTA GERTRUDES AVENUE SIDEWALK AND WOODCROFT STREET, ET AL.
IN THE UNINCORPORATED COMMUNITIES OF
EAST AZUSA (ISLANDS) AND SOUTH WHITTIER
(SUPERVISORIAL DISTRICTS 1 AND 4)
(3 VOTES)**

SUBJECT

This action is to approve the project for sidewalk construction and parkway improvements on Santa Gertrudes Avenue and Woodcroft Street, et al., in the unincorporated communities of East Azusa (islands) and South Whittier; find the project categorically exempt from the provisions of the California Environmental Quality Act; adopt the plans and specifications; call for bids; authorize the Director of Public Works or her designee to award and execute a construction contract with the apparent responsible contractor with the lowest responsive bid; and delegate certain responsibilities to the Director of Public Works or her designee to carry out this project.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that this project is categorically exempt from the provisions of the California Environmental Quality Act.
2. Approve the project and adopt the plans and specifications that are on file in the Construction Division of the Department of Public Works for Santa Gertrudes Avenue Sidewalk and Woodcroft Street, et al., in the unincorporated communities of East Azusa (islands) and South Whittier, at an estimated construction contract cost between \$400,000 and \$550,000.

3. Instruct the Executive Officer of the Board of Supervisors to advertise for bids to be received and opened on May 7, 2013, in accordance with the Instruction Sheet for Publishing Legal Advertisement.
4. Authorize the Director of Public Works or her designee to award and execute a construction contract with the apparent responsible contractor with the lowest responsive bid within the estimated cost range and deliver the project.
5. Delegate to the Director of Public Works or her designee the following authority in connection with this contract: (1) approve and execute change orders within the same monetary limits delegated to the Director of Public Works under Section 2.18.050 of the Los Angeles County Code relative to the construction of County buildings; (2) allow substitution of subcontractors and relief of bidders upon demonstration of the grounds set forth in Public Contract Code Sections 4100 et seq. and 5100 et seq., respectively; (3) accept the project upon its final completion; (4) release retention money withheld consistent with the requirements of Public Contract Code Sections 7107 and 9203; and (5) extend the date and time for the receipt of bids consistent with the requirements of Public Contract Code Section 4104.5.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of the project from the Board, adopt the plans and specifications, advertise for bids, authorize the Director of Public Works (Director) or her designee to award and execute a construction contract with the apparent responsible contractor with the lowest responsive bid, and delegate certain responsibilities to the Director or her designee to carry out this project.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Integrated Services Delivery (Goal 3). The recommended actions will help achieve these goals by providing improved roadway facilities for the traveling public, which will benefit the communities.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction contract cost to complete this project is in the range of \$400,000 to \$550,000. The total project cost is estimated to be \$1,168,000. In addition to the construction contract cost, the total project cost includes the comprehensive design alternatives, preparation of plans and specifications, environmental clearance activities, consultant services, survey, right-of-way and utility clearance, geologic studies, materials testing, inspection, contract administration, change order contingency, and other County services.

Financing for this project is included in the First and Fourth Supervisorial Districts' Road Construction Program in the Fiscal Year 2012-13 Road Fund Budget. The Road Fund will be reimbursed with the First Supervisorial District's General funds in the Fiscal Year 2012-13 Public Works General Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the sidewalk construction and parkway improvements, is part of the Department of Public Works' (Public Works) ongoing highway construction and maintenance program. This project will be advertised in accordance with Section 20392 of the State Public Contract Code.

This project is to be completed in 45 working days. It is estimated the work will start in August 2013 and be completed in October 2013.

Delegating to the Director or her designee the authority to award and execute this construction contract allows an expedited contracting process to obtain a contractor for the sidewalk construction and parkway improvements.

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the Los Angeles County's Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

This project is categorically exempt pursuant to Section 15301(c) of the California Environmental Quality Act Guidelines; Class 1(s) and Class 1, Subsections (x)(14), (x)(16), and (x)(22) of the revised County Environmental Document Reporting Procedures and Guidelines adopted by the Board on November 17, 1987. These exemptions provide for reconstruction of existing roadway pavement, curb and gutters, curb ramps, driveways and sidewalks with tree removal, and maintenance of existing roadway facilities.

CONTRACTING PROCESS

This project will be contracted on an open-competitive bid basis. A recommendation for award by the Director or her designee will be made upon review of the bids meeting the criteria established by the Board and the State Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing improved roadway facilities for the traveling public, which will benefit the community.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division. If you have any questions, please contact Ms. Sumitha Shival at (626) 458-3159 or sshival@dpw.lacounty.gov.
